

MISCELLANEOUS SHOWER FOR MISS VEAL

Miss Emma Louise Veal was the honoree at a miscellaneous shower Thursday afternoon, given by Mrs. R. L. Cooper. A color scheme of green and white was carried out in the decorations and refreshments. As the guests arrived on the porch, they were served delicious punch by Misses Wilma Veal and Louise Mitchell. At the door the guests were welcomed by Mrs. W. F. Cooper. Those receiving were: Mrs. R. L. Cooper, Miss Emma Louise Veal, Mrs. Veal, Mrs. Mike Maddox and Mrs. Otis Brooks. From here Mrs. D. C. Barnard ushered the guests to the bride's room where Mrs. H. C. Johnson presided. During the afternoon a reading by Mrs. Sam Rowe, a vocal solo by Miss Hazel Bonneau, and piano selections by Miss Annie Laurie Bullard were enjoyed. A variety contest, "Greatest Art Gallery," was conducted by Mrs. J. A. Carney. The prize in the contest was won by Mrs. J. G. Wysocki. Following this Mrs. W. F. Cooper announced that Maddox's Jibney was about to make a special delivery. At this time Bessie Cooper and Billy Barnard brought in a miniature automobile and wagon loaded with lovely gifts for the bride. The bride served an ice course with pound cake.

The honoree was lovely beautiful on this happy occasion. She wore a powder blue frock which was becoming to her very rare type of beauty.

The Peanut Shellers Say: "Your peanuts must be clean and properly harvested if top prices are expected" The New "LILLISTON" POSSESSES EVERY REQUIREMENT

COME AND SEE THEM IN OPERATION

"Harvesting and preparing your peanut crop for the market cannot be too carefully guarded if highest prices are expected," is the statement of Boyd & Murphree, local shellers. The Lilliston Peeler is guaranteed to produce No. 1 grade peanuts, commanding \$10.00 to \$15.00 more per ton than the same quality not having been properly picked. They are certainly interested in equipment that will produce the highest grade products—your neighbors are also interested in such equipment, and will allow preference when picking fine arrivals. Don't be deceived, talk to your local sheller who pays the highest prices. Then come in and look over the New Improved Lilliston. It's new features are exceptionally desirable—its quality and performance is recognized by those having years of satisfactory experience.

The Dependable Ford Motor

Delays and expensive breakdowns are completely avoided with this dependable and inexpensive power Unit. The initial cost is surprisingly low, only \$175.00 Complete. It is an ideal power plant for many purposes around the farm, and promises to meet every requirement for peanut picking machinery. Dependable day after day service—low cost operation and maintenance—is evidence of its superiority that insures satisfied customers.

KINSTON HIGH SCHOOL WILL OPEN NEXT MONDAY SEPTEMBER 12th.

Kinston, Ala., September 6.—We are pleased to announce that the Kinston High School will open next Monday, September 12. A corps of teachers have been secured which will place this school on the accredited list with other high schools of this county. Those in charge of the school are as follows: High School Department—Prof. L. O. Kysar, Prin. Mrs. Flora M. Pierce, Mrs. Johnnie Moore, Mrs. E. T. Brunson, and a young man whose name has not been secured. The Elementary Department: Mrs. L. O. Kysar, Mrs. D. C. Beckham, Mrs. Basie Mae Stanley and Miss Gwyn Smith.

This school will be divided into two terms and there will be an entrance fee for each term as follows: First, second and third grades, \$1.00. Fourth, fifth, sixth grades, \$1.50. All High School grades, \$2.00. These entrance fees are lower than those charged by any high school in this section of the state, which is accredited to a gasoline tax levied in Kinston for the benefit of the school. The high school grades of other schools near Kinston have been consolidated with the Kinston school. School buses will carry these children from their respective schools to the Kinston school without charge for transportation.

The County School Board and the local School Board are endeavoring to make this school one of the best schools in this section of the state. They are asking that the patrons of all schools interested, give their full cooperation and help them in establishing an accredited high school in this part of Coffee County, which will eliminate the necessity of sending children away from home to secure their high school diplomas, which will mean a large saving to the citizens of this section. They are asking that to give the poor boy and girl of the Southwest corner of the county the opportunity of attending an accredited high school, wherein without the consolidation of the higher grades and transportation from his home locality, it would be impossible for him to attend high school. All patrons are invited and urged to be present for the opening exercises next Monday.

I will have two men who have had a lot of experience in this work and they will be able, no doubt, to give some good suggestions as to the best method of conducting these sales. W. M. FOOTBALL OUTLOOK AT ELBA HIGH SCHOOL GROWING BRIGHTER.

The football outlook at Elba High School grows brighter this week after the seemingly gloomy prospects of the past week. The return of Knight, Roberts, Wilkes and Prescott to the fold has lent much joy to local football lovers. Knight is one of the hardest punching fullbacks in this section of the State, and for the past two years has been one of the mainstays of the backfield. Roberts and Wilkes are also good men at any position, and their presence will add weight and brains to the Tiger.

At the outset last week, prospects appeared extremely gloomy, with six letter men of last year's team missing. But with the return to form of the old men on hand and the excellent first-year material on the field, Coach Javard is expected to produce another strong team this year. Those men playing include: Howell, speedy quarterback, who has played havoc with opposing teams for the past three years; Wise, Seymour, other star backfield performers; Brown and Palomo, hard fighting linemen. The old men back are: Talbot, Fountain, L. English, C. English, J. Lewis, Ham, Pierce, Knight, Roberts, Prescott and Wilkes.

The new men who are expected to strengthen the team include: McCollough, M. English, Paul, Prescott, Lee, Carpenter, Nelson, Jackson, Windham, Taylor and H. Lewis.

Coach Javard comes to Elba from the Autauga County High School at Prattville, and his record there speaks well of him. He is instilling into his men the style of play which should make them feared by other eleven in this section. With the wealth of material reporting to him, he should have a team that will give opposing teams much trouble. The first game on the Troy schedule is with Oak Hills on the local field September 30th.

CO-OPERATIVE HOG SALES ORGANIZED AT ELBA LAST SATURDAY.

A group of farmers met at the court house at Elba last Saturday afternoon and organized to sell hogs co-operatively. The same method as that used in Houston County was adopted for use in Coffee County. In this organization a Secretary-Manager to be assisted by the County Agent, is the only officer of the organization. Mr. O. C. Smith, well known farmer and stockman was chosen as secretary-manager. A one per cent charge on all gross sales will be charged for operating expenses, this going to pay for phone calls, ink, repairs, and incidentals.

The secretary-manager is to receive \$5.00 per day for his work on hog sale days. The first sale will be held on Monday, September 18th. The sale will be announced. For any details see either Mr. Smith or the County Agent.
